1. Executive Summary

This report presents a comprehensive SEO audit of **seanwatson.coach** for a **Online professional service (1-on-1 English communication coaching)** site, generated on October 31, 2026. Findings combine technical, content, schema, performance, visual, and search-readiness evidence as available.

56/100

SEO HEALTH SCORE

Critical Issues Found:

1. teachersean.ca SSL certificate expired 21 June 2026; old links land on a browser warning
2. Site ranks 5th for 'Sean Watson English coach', behind podcast, LinkedIn and YouTube
3. No content targeting non-branded searches (5 pages, ~1,900 words)
4. Server-rendered meta and og:description differ from the saved SEO description
5. Gamma ships ~4.8 MB of JavaScript per page

Quick Wins:

1. Renew teachersean.ca certificate and 301 to seanwatson.coach
2. Rewrite 4 inner-page titles
3. Add sameAs links to homepage schema
4. Add alt text to About headshot
5. Fix social preview descriptions in Gamma

2. Audit Categories

2.1 Technical SEO

Score: 72/100

What Works

- HTTPS and www redirects
- robots.txt and sitemap
- Self-referencing canonicals
- Server-rendered text
- Proper 404s

Findings

teachersean.ca certificate expired High

Let's Encrypt renewals stopped after March 2026; certificate expired 21 June 2026.

Recommendation: Renew certificate and 301-redirect every URL to seanwatson.coach.

Raw description differs from rendered one Medium

Server HTML carries an auto-generated 305-character description; the saved description is only swapped in by JavaScript. og:description stays messy.

Recommendation: Check SEO and social preview descriptions in Gamma; report to Gamma if already set.

Trailing-slash URLs return 404 Low

/about/ returns 404 instead of redirecting.

Recommendation: Ask Gamma support for trailing-slash redirects.

No security headers Low

No HSTS or CSP.

Recommendation: Platform-controlled; no action needed.

2.2 Content Quality

Score: 55/100

What Works

- Clear B2+ audience and fit filter
- Strong credentials and named employers
- Specific testimonials
- Sourced statistics

Findings

No non-branded content High

About 1,900 words site-wide, all service description.

Recommendation: Add a /lessons section and republish 1 piece a week.

Services are one paragraph each Medium

Six services share one page.

Recommendation: Build a dedicated pronunciation and accent clarity page.

No pricing signal Medium

No indication of cost.

Recommendation: Optionally add 'packages from' pricing.

About page light on specifics Low

Mostly market statistics.

Recommendation: Add how you work, TESL source, opera background details.

2.3 On-Page SEO

Score: 62/100

What Works

- Strong homepage title
- One H1 per page

- Consistent internal linking

Findings

> **Thin inner-page titles** High
>
> About, Coaching, Community and Contact titles are 19-23 characters with no topic.
>
> **Recommendation:** Use the suggested titles in ACTION-PLAN.md.

> **Vague inner-page H1s** Medium
>
> 'Meet Your Coach', 'Let's Talk' carry no topic.
>
> **Recommendation:** Add the topic while keeping the voice.

> **Heading levels skip** Low
>
> H2 to H4 on homepage.
>
> **Recommendation:** Template issue; low priority.

2.4 Schema / Structured Data

Score: 35/100

What Works

- Person and ProfessionalService linked via @id

Findings

> **Schema lacks sameAs and detail** High
>
> No sameAs, image, credential or knowsAbout; brand name is shared with other coaches.
>
> **Recommendation:** Use the expanded schema in ACTION-PLAN.md.

> **Schema is homepage-only and GTM-injected** Medium
>
> AI crawlers that skip JavaScript never see it.
>
> **Recommendation:** Move into page HTML if Gamma allows; add Service and PodcastSeries.

FAQ without FAQPage schema Info

FAQ rich results were retired for all sites in May 2026.

Recommendation: No action needed.

2.5 Performance (CWV)

Score: 40/100

What Works

- CLS near 0 on every page
- Images under 200 KB total

Findings

4.8 MB of platform JavaScript Medium

Lighthouse mobile performance 27 (cloud lab run); 2.6 MB unused JS; 5.4 MB total page weight.

Recommendation: Platform-limited; revisit hosting if the site grows into a content hub.

Google Tag Manager adds 119 KB Low

GTM appears to inject only the schema.

Recommendation: Move schema into the page and drop GTM if unused otherwise.

2.6 AI Search Readiness

Score: 50/100

What Works

- All AI crawlers allowed
- Copy present in raw HTML
- Podcast distributed widely

Findings

No quotable answer content High

Site describes services but answers no questions.

Recommendation: The /lessons section fixes this.

Entity ambiguity Medium

Other Sean Watson coaches compete for the name.

Recommendation: sameAs links plus profiles linking back.

No llms.txt Low

No confirmed benefit.

Recommendation: Skip for now.

2.7 Images

Score: 60/100

What Works

- WebP via image proxy

Findings

Headshot missing alt attribute Medium

About-page headshot has no alt.

Recommendation: Alt: 'Sean Watson, English communication coach'.

Empty alt on content photos Low

Homepage and community photos have alt="".

Recommendation: Describe them if not decorative.

Unsized images Low

No width/height attributes.

Recommendation: Platform-controlled; CLS already 0.
